STATINTL

We have not received payments on your outstanding obligation since the \$45.00 payment mailed with your letter of 22 May 1972.

The balance due is \$1,213.59 and payment against this indebtedness is long overdue. It is requested that installment payments be made current, and a money order in the amount of \$75.00 be forwarded to cover the period June - October 1972. Perhaps at this time you are in a better financial position to increase your monthly payments.

I feel the Organization has extended every courtesy in an effort to liquidate this debt and further delay is unwarranted.

STATINTL

Your response by return mail would be appreciated.
